

Run your whole BGV agency on one screen.

Cases, checks, client portal and reports, with your own logo and your clients' data kept apart. Built with, and used every day by, a Mumbai BGV firm.

Your brand, your clients

Your logo, report wording, reference numbers and web address. Your clients see your name, not ours.

A portal for client HR

Clients upload candidates in Excel or as documents, follow each case and download reports. Fewer status calls.

Less typing at intake

Candidate details are read from spreadsheets and scans and filled in for checking. Optional AI reading.

TAT under control

Work queue per verifier, due dates on every check, overdue alerts and your on-time rate.

Built for DPDP and GDPR

Encrypted data, two-factor login, audit log, consent, candidate-request register and retention.

Live in days

Import clients, users and old cases from Excel. Help in English, मराठी and हिन्दी. Hosted by us or on your server.
